If these customers have already bought an ebook from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the brand new e book, however do not embrace a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by making a number of duplicate gross sales pages with completely different costs on every page. Be sure that your sales copy is exactly the same on every

web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum price is.
