If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the brand new book, however don't include a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

on each page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum value is.
