If you *Lifting Points A Design Guide* value it too high in comparison together with your competition, one can find your self steadily decreasing the value, which is able to cause you every kind of new issues in the future.

Choosing the right worth on your **Lifting Points A Design Guide** book is one of the most important elements of the advertising and marketing process. The first rule of pricing ebooks is to never underprice. Decide the highest value your viewers can afford, after which in case you find your book isn't promoting, you may at all times scale back the price. Earlier than you're taking that step, make sure you are selling your Lifting Points A Design Guide ebook like crazy on the Internet and on websites. The value should be geared toward bringing in income, but it is best to by no means forget that worth is one of the factors that folks use in judging the worth of your *Lifting Points A Design Guide* ebook ? before they purchase it. So always begin with the highest value, and then launch a mega-advertising campaign.

Pricing an e book is particularly tough because ebooks are a fairly new commodity. Since they're digital, the value of an e-book is as complicated because the understanding of what digital truly is

to the average layperson. Because of this we must have a look at ebooks in a special light with the intention to determine their actual value in this courageous, new cyber world.

Let us take a look at the distinction between a e-book in print and an ebook. A printed guide is an object you'll be able to maintain in your hand, store on your bookshelf, even hand down to the subsequent generation. It's priced on factors such as paper stock, design and manufacturing costs, and marketing.

However the truth that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books which have the ability to alter, or possibly remodel, individuals's lives.

What do you think an idea is price when evaluated towards the price of paper and ink?

It's the IDEAS which might be invaluable! That's the way you decide the price of your ebook.

What should I cost for my concepts?

There are all totally different formulation and strategies for determining the right worth on your ebook. Let's begin with honing in on your final goals.

Determine if your aim is to get large distribution and most exposure. This aim is geared toward drawing prospects to what you are promoting or service, or to establishing the credibility of your reputation. If that is your essential goal, you must aim to maintain your worth on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high variety of new customers. The bottom line is to discover a price that maximizes your income and the variety of books you sell.

This is an excellent pricing technique if you're trying to purchase lengthy-time period customers. Long-term customers are extremely seemingly to purchase from you again and again ? so long as the primary book they buy is of distinctive quality and helpful to the customer.

Nevertheless, if your e book contains helpful ? and extra importantly NEW information, references, or methods ? then you must intention to price it on the high end.

After you figure out your objective, you will need to figure out what your audience's need is for your ebook. For instance, does your e-book clear up a specific problem? If it does, and solves it in a manner that hasn't been written about in 100 other ebooks, you will be in a position to obtain

high sales at a high price. In case your ebook solves a problem or answers questions in a new and distinctive approach, you should price your book as high as you can go. You'll achieve bigger profits this fashion, however bring in fewer customers. Just be certain that the question or drawback that your book solves is one that is necessary and related to nearly all of your market audience. If your concepts are usually not common data, or you're presenting a model new technique, you will be able to promote books at an excessive price. Just be prepared in your competitors to undercut you on worth as quickly as they hear about your book.

Keep in mind that the above pricing technique is temporary. Ultimately, you'll cease to sell books at this excessive price. So determine upfront how lengthy you plan to offer your ebook at this excessive worth, and when that time is up, change your pricing strategy.

If you wish to see giant profits over buyer draw, goal for an audience that is in search of simple options to their issues at a low price. If your e book is aimed toward solving one particular problem fairly than basic recommendation, then you'll be able to cost more. Begin on the highest worth the market will bear to usher in the largest earnings, and plan to discount the e-book a variety of times throughout the year.

Advertising Strategies

The key that unlocks the gross sales potential of your e-book is to discover a single sentence that becomes your selling handle. This sentence states what question or problem your e book solutions and the advantages your e-book can provide. Then remember to use that sentence in every piece of gross

sales and promotional materials, and each time anyone asks you about your ebook.

Moreover promoting your books assiduously on-line, there are a number of other strategies that can allow you to sell more books.

One is to present something away without spending a dime together with your e book, such as a useful bonus item. Or bundle several ebooks underneath one worth, which lowers the price for every ebook in the event that they had been sold separately.

An efficient method for figuring out a worth is to ship out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the new e-book, but do not embody a worth on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with different prices on every page. Be sure your gross sales copy is strictly the same on every web page, and consists of your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum worth is.

In the end, should you've written a e-book that solves a problem or presents a new technique, your e book will usher in each traffic and profits. So make sure you write that selling-deal with sentence that sums up what problem your ebook solves and what the benefits of your *Lifting Points A Design Guide* ebook will be to the purchasers who purchase it. And then watch your market come to you!
