Choosing the right price for your **Solutions Manual General Chemistry Chang** e book is one of the most crucial parts of the marketing process. The first rule of pricing ebooks is to never underprice. Determine the best price your audience can afford, and then when you find your guide isn't promoting, you'll be able to all the time cut back the price. Before you're taking that step, be sure to are promoting your Solutions Manual General Chemistry Chang guide like crazy on the Internet and on websites. The price should be aimed toward bringing in earnings, however it's best to by no means forget that value is likely one of the elements that individuals use in judging the value of your *Solutions Manual General Chemistry Chang* e-book ? earlier than they buy it. So always start with the best worth, and then launch a mega-advertising campaign.

Pricing an e-book is particularly difficult because ebooks are a fairly new commodity. Since they're

digital, the worth of an e-book is as confusing as the understanding of what digital actually is to the average layperson. Which means we should look at ebooks in a special light with the intention to decide their precise price on this brave, new cyber world.

Let's take a look at the distinction between a guide in print and an ebook. A printed e-book is an object you possibly can hold in your hand, retailer in your bookshelf, even hand down to the subsequent generation. It's priced on components such as paper inventory, design and production costs, and marketing.

However the truth that unites ebooks and print books is that they're composed of ideas. It's the concepts in these books that have the power to change, or possibly remodel, individuals's lives.

What do you think an thought is value when evaluated towards the price of paper and ink?

It's the IDEAS that are worthwhile! That's how you decide the cost of your ebook.

What ought to I charge for my concepts?

There are all completely different formulas and strategies for figuring out the correct value in your ebook. Let's start with honing in in your final goals.

Determine if your aim is to get vast distribution and maximum exposure. This aim is aimed toward drawing customers to your corporation or service, or to establishing the credibility of your reputation. If that is your important purpose, you need to goal to keep your price on the low side. Some authors have even priced their ebooks at a profit loss to draw a excessive number of new customers. The secret is to discover a price that maximizes your earnings and the variety of books you sell.

This is a wonderful pricing strategy if you are looking to purchase lengthy-time period customers. Lengthy-term prospects are extraordinarily doubtless to buy from you once more and once more ? so long as the first e-book they buy is of distinctive high quality and beneficial to the customer.

Nonetheless, in case your ebook incorporates beneficial ? and more importantly NEW data, references, or strategies ? then you need to intention to cost it on the high end.

After you determine your objective, you will need to figure out what your viewers's want is to your ebook. For instance, does your guide solve a specific downside? If it does, and solves it in a method that hasn't been written about in 100 different ebooks, you may be in a position to achieve

high sales at a high price. In case your ebook solves a problem or solutions questions in a new and unique means, you need to price your e book as high as you can go. You will obtain bigger income this manner, however usher in fewer customers. Just be certain the query or drawback that your book solves is one that is essential and related to nearly all of your market audience. If your concepts are not widespread data, or you might be presenting a brand new method, it is possible for you to to promote books at a high price. Just be prepared in your competition to undercut you on worth as soon as they hear about your book.

Needless to say the above pricing technique is temporary. Eventually, you'll stop to promote books at this excessive price. So figure out upfront how lengthy you plan to offer your e book at this high worth, and when that time is up, change your pricing strategy.

If you wish to see giant earnings over customer draw, aim for an viewers that's in search of easy solutions to their problems at a low price. In case your guide is aimed toward fixing one specific problem slightly than common recommendation, then you can charge more. Begin on the highest value the market will bear to bring in the largest profits, and plan to low cost the e-book a variety of occasions all through the year.

Advertising Methods

The important thing that unlocks the sales potential of your e book is to find a single sentence that turns into your selling handle. This sentence states what question or problem your e book answers and the benefits your book can provide. Then be sure to use that sentence in each piece of

gross sales and promotional materials, and every time anyone asks you about your ebook.

In addition to selling your books assiduously online, there are several other strategies that may provide help to sell extra books.

One is to present something away free of charge together with your guide, reminiscent of a helpful bonus item. Or bundle a number of ebooks below one value, which lowers the worth for every e book if they have been bought separately.

An efficient technique for figuring out a price is to send out a survey to your present customers. If these prospects have already bought an e book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the new e book, but don't embrace a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with different costs on every page. Be sure that your gross sales copy is strictly the similar on every web page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum value is.

Finally, for those who've written a e book that solves a drawback or presents a brand new approach, your ebook will bring in each traffic and profits. So you'll want to write that selling-deal with sentence that sums up what drawback your e-book solves and what the advantages of your *Solutions Manual General Chemistry Chang* e-book will likely be to the purchasers who buy it. After which watch your market come to you!
